

iPad Air Instructions for Multi Display Holder

Fitting Instructions

1. Unlock the iPad enclosure by inserting key into security lock and rotate 'QUARTER TURN ONLY' clockwise or counter-clockwise through 90 degrees which releases the locking pin. Return key back to original position to remove and lift fascia out of enclosure.

2. Carefully remove all four existing iPad 2/3/4 black corner inserts and seven spacer washers from the locating pins within the enclosure. PLEASE retain for future use.

3. Remove the four iPad Air inserts from their packaging.

4. Position holes of iPad Air inserts over locating pins and gently push-fit into enclosure.

5. The enclosure is now ready to accept the iPad Air.

If you are using cable management for charging, position cable into channel in underside of iPad Air insert, prior to placing iPad Air within inserts.
